HET SONKUSARE

SOCIAL MEDIA MARKETING EXECUTIVE | AI-NATIVE CONTENT & VIDEO CREATOR

+91 87802 00854 | hetsonkusare7@gmail.com | Ahmedabad, India | hetportfolio-mu.vercel.app

PROFILE

AI-native content creator and video editor with 2+ years producing 250+ pieces of platform-native content for healthcare brands, hospitals, startups, and digital creators. Currently manage end-to-end social content — scripting, captions, editing, and publishing — for 30+ healthcare brand accounts at Last Page Media, working directly with doctors and marketers to keep brand voice consistent across Instagram, YouTube, and Meta Ads. Comfortable owning a brand's content output start to finish, using an AI-assisted workflow (ChatGPT, Claude, Gemini for scripting and captions; Higgsfield, Flow for visuals) to move faster without losing quality.

CORE COMPETENCIES

Content Strategy & Execution · Copywriting & Caption Writing · Short-Form Video (Reels/Shorts) · Cross-Platform Publishing (Instagram, YouTube, Meta Ads) · Brand Voice & Messaging · Trend & Competitor Monitoring · Client & Stakeholder Communication · AI-Assisted Content Production

EXPERIENCE

Video Editor & Content Producer — Last Page Media **Mar 2026 – Present**

Ahmedabad, Gujarat

- Own end-to-end content production — scripting, captions, edit, colour grade, sound design — for 30+ healthcare brand accounts across Instagram, YouTube, and Meta Ads.
- Write and adapt captions, hooks, and scripts for doctor interviews, patient stories, and awareness campaigns, tailoring tone and format to each platform and audience.
- Use AI tools daily for scripting, voiceovers, and visual production, cutting turnaround time while keeping 30+ concurrent brand accounts on-message.
- Act as the day-to-day link between doctors, marketers, and the creative team — turning brand direction into published content and keeping messaging consistent account to account.
- Manage media libraries and editing pipelines to hit fast, repeatable turnaround across simultaneous projects.

Freelance Content Creator & Video Editor — Self-Employed **Jan 2024 – Mar 2026**

Remote, India

- Delivered 50+ end-to-end content projects — video, captions, and publish-ready assets — for creators, startups, and small businesses, maintaining consistent 5-star client feedback.
- Produced YouTube long-form, Instagram Reels, product demos, and brand films, owning each project from concept through final delivery.
- Built direct client relationships that drove a 60% repeat-business rate in the first year, working as a trusted single point of contact rather than a hired-out vendor.

SKILLS

- **Content:** Content strategy, short- and long-form video, Reels/Shorts, storytelling, platform-native formatting, caption and hook writing
- **Production:** Colour grading, motion graphics, kinetic typography, sound design, music sync, SFX
- **Tools:** Adobe Premiere Pro, Final Cut Pro, After Effects, Canva, Photoshop (basic)
- **Soft Skills:** Ownership mindset, client communication, deadline management, cross-functional collaboration, multitasking across accounts
